

Legal Consulting Services

Federal Criminal Defense Consulting, LLC (FCDC) works in the capacity as a Legal Consulting Firm, specializing in White Collar Criminal Defense, for Criminal Defense, Business and Litigation Attorneys. FCDC prefers to be contracted directly through a Defendant's Attorney to ensure confidentiality for the Defendant and to make clear that FCDC does not work in the capacity of an Attorney or Law Firm, but rather, as a Legal Consulting Firm. [Please consult an Attorney for Legal Advice]

FCDC offers White Collar Defendants, Felons & Inmates a Free Initial Phone or Web Conference to determine if we can be of service. This initial consultation can also include the Defendant's Attorney per the Defendant's preferences. Please [Request](#) the FCDC [Client Consultation Form](#) and return it to FCDC via email prior to the Initial Conference, so FCDC can better address your particular situation and case, as well as, identify areas where we may be of service. All client inquiries and communications are kept strictly [Confidential & Private](#).

We also welcome inquiries from Attorneys. Please [Contact FCDC](#) or fill out our [Feedback Form](#) so we can set up a phone or web conference to discuss how we can [Add Value](#) to your Firm's White Collar Criminal Defense Services.

FCDC's services are offered as Packages and individually. We contract for specific Legal Consulting Services by a set Package Price or Individual Service Flat Fee and not contingent on hourly fee constraints. We offer our services in this Flat Fee Structure to pass on Value and cost predictability to our Clients. FCDC operations take advantage of low overhead and technology based efficiencies which allows us to pass on these savings to our Clients.
